

Student inspired, student-led, and student created. Are you a creator? Are you an entrepreneur? Oh yes! Absolutely, all students are creators. Rather you believe it or not. You are constantly creating presentations to share in class, notes created to share with your peers, cool projects created by you, stories, drawings, and even games at school. So whether you believe it or not, you are in school and constantly creating content to demonstrate learning at school. So why not what you have and share it on a larger platform to help other students learn while earning for college. Kids' Choice, Inc. is designed to share your creative works. No matter who you are. You can make a difference, we all have something to share, something to give, and some way to make a difference in our lives and the lives of others. Share your work! Share your story through your work! The great thing about it is the money you earn from creating educational resources, you it will be applied towards a qualifying College 529 account as a scholarship opportunity! You can create educational content, keep up with your earning by seeing data trends and reporting. What a cool opportunity for you and your families to be able to use technology as a tool to better yourself, learn while creating, and earn money for college. This can be the most rewarding, job in your youth while earning for a purpose, earning for a cause. Changing the way we see education by giving our youth, us a voice in education. Be a creator by making learning more fun, meaningful and engaging for your peers. It's time for a change, but first we must be that change. Start a creator account today to create the opportunities of the future for tomorrow.

Student Inspired, Student-Led, and Student Created.

Are you an educational creator? Have you ever made presentations to share in class, notes to share with your peers, cool projects, stories, drawings, or even games to help others learn? Have you ever wanted to? Why not take what you have and share it on a larger platform to help other students learn while earning for college? Kids' Choice, Inc. is designed to share educational creative works. Whether you're a teacher looking to make a difference, or just someone who loves to help people learn, Kids' Choice is here to help you reach students in need. Working through us lets you assist students on two fronts. Not only will you provide educational content, but any proceeds from your work will go towards a qualifying 529 College Account as a scholarship opportunity. You and your family can learn through creation, help others learn, and save for college, all through Kids' Choice. We want to give our youth a louder voice when it comes to their education, and we want your help to do it. Be a creator to make learning fun, meaningful and engaging for your peers. Start a creator account today to create the opportunities of the future for tomorrow.
